Email: Drugsafety.thailand@bayer.com

Website for online adverse event reporting: <http://pharma.bayer.com/en/treatment-care/report-an-adverse-event/>

Bayer collects your personal information to address or provide a response to your adverse event. If you report an adverse event or concern about the quality of a Bayer product, we will need to use the information that you have given us in order to meet our regulatory requirements in relation to the safety of our products. It may be necessary for us to share your information with Bayer's affiliates, service providers or regulatory authorities located in countries besides your own. Bayer has implemented measures to protect the personal information you provide. If you have any further questions about the use of your personal information, please contact:
